Economic Impact and Aviation Services

Airport Facilities

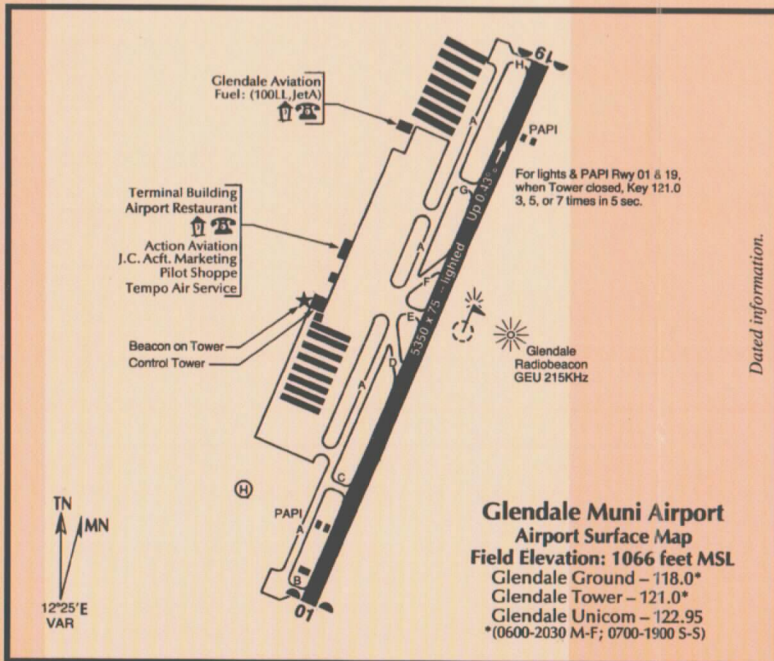

- 477-acre modern airport located five miles west of downtown Glendale (and just 30 minutes northwest of downtown Phoenix)
- On airport restaurant, enclosed hangar facilities, and plenty of shaded and open tie-downs
- Beautifully designed two-story, 18,000 sq. ft. terminal, featuring corporate meeting space and office space leases

Recent Improvements

- Purchase of a large tract of adjacent land for noise abatement use

Future Development

- Corporate hangars, runway extension, new taxiways
- 150 new hangars
